May 5, 2016

Dear Customer:

On April 29, 2016, Ellen Dettman, Program Manager for the State of Missouri Department of Health & Human Service's in Jefferson City, Missouri verified that customers are able to use the SOP Green Klean bleach replacement products as long as it meets the Federal Guidelines for sanitation, Code of Federal Regulations (CFR). The customer must have a letter stating this on file to show to the inspector.

The SOP Green Klean products have been approved by the Federal Government as a bleach replacement and meets all of the CFR requirements for sanitation.

The EPA Registration Numbers:

Chlorinated Disinfecting Tablets

EPA Reg. No. 69470-37-91038

EPA Est. No. 69470-WV-2

I have attached a copy of the EPA approved and registered label for the GK Chlorinated Disinfecting Tablets and under **Food Contact Surfaces** it states may be used in accordance with 21 CFR 178,101 of the federal food & drug act.

If you have any questions or concerns, please contact me at (417)-448-9198 cell or (800) 798-0163 office

Sincerely,

Henry Kraft, Inc
